**This series was inspired by the book Respectable Sins by Jerry Bridges. We recommend this book as a supplemental resource. It's well worth your time! Join us for the message series (catch up at [www.scc.website](http://www.scc.website) and [www.bbctransform.org](http://www.bbctransform.org)) and then go deeper with the book. Use the study guide included in the book in your personal quiet time or for family discussions.**
